ABOUT ME

I am a motivated and enthusiastic Full Stack Developer fresher with a strong foundation in both front-end and back-end technologies. I have hands-on experience building responsive web applications using HTML, CSS, JavaScript, React, Node.js, and MongoDB through personal and academic projects. I am passionate about coding, problem-solving, and continuously learning new technologies, and I am eager to start my professional journey, contribute to real-world projects, and grow as a developer in a challenging environment.

TECHNICAL SKILLS

Languages: JavaScript, HTML & CSS

Libraries/Frameworks: NodeJS, ExpressJS, ReactJS, Redux-Toolkit

Developer Tools: VS Code, Git, Postman

Other: Web Development, GitHub

PROJECTS

Food Hut , Delivery web App |HTML , CSS , JavaScript .

01/2026

1. Developed a responsive **food ordering web application** with an interactive UI and smooth user experience for browsing meals and placing orders.
2. Implemented **dynamic product listing and cart functionality**, enabling users to add items, update quantities, and simulate an order process.
3. Designed a modern and user-friendly interface using **HTML, CSS, and JavaScript**, ensuring full responsiveness across devices.
4. Built features like **menu categorization, pricing display, and Add to Cart interactions** to replicate real-world food delivery platforms.
5. Deployed the project using **Netlify**, ensuring fast performance and easy accessibility.

ToDo App | HTML , CSS , JavaScript .

1. Developed a responsive **To-Do List Web Application** using HTML, CSS, and JavaScript for efficient task management.
2. Implemented **CRUD operations** (Create, Read, Update, Delete) to allow users to manage daily tasks dynamically.
3. Integrated **Local Storage API** to persist user data, ensuring tasks remain saved even after page refresh.
4. Designed a clean and user-friendly UI with interactive features like task completion toggle and delete functionality.
5. Enhanced user experience by adding real-time updates and input validation to prevent empty task entries.

EDUCATION

Amravati University

Intermediate

2025 - 2026
